Dispute Resolution Services

Hutchison & Steffen's Dispute Resolution Services provides a full range of out-of-court mediation and arbitration services to private individuals, attorneys, business owners, trade unions, insurance companies, and other parties seeking equitable resolution of their disputes without the time, expense, and frustration involved in the more formal trial court system.

The Firm offers parties a select panel of neutral arbitrators/mediators who are experienced in resolving a wide variety of disputes such as those involving personal injury, business, contractual, real estate, employment, construction, and medical malpractice. These disputes can be handled by informal and non-adversarial mediation or a more formal arbitration process, depending on the desires, goals, and needs of the parties.

Hutchison & Steffen's Dispute Resolution Services is headed by Erin Lee Truman, who works with other leading and trained legal professionals in the Firm's Alternative Dispute Resolution arena, including the Honorable Thomas L. Steffen, former Chief Justice of the Nevada Supreme Court and graduate of the Dispute Resolution Program of Harvard Law School.

Hutchison & Steffen provides assistance to parties in a range of resolution techniques including:

- Binding and Non-Binding Arbitration
- Structured Mediation
- High-Low Arbitration
- Mini-Trials
- Fact-Finding Hearings
- Employment Dispute Resolution
- Early Neutral Evaluation of Disputes

The Firm also provides assistance in drafting pre-dispute and post-dispute Alternative Dispute Resolution agreements, and with developing, designing, and implementing ADR programs.

“Discourage litigation. Persuade your neighbors to compromise whenever you can. Point out to them how the nominal winner is often a real loser in fees, expenses, and waste of time.”

~ Abraham Lincoln
